

# Using High Quality Student Data: From Instruction to Evaluation

## February 21, 2020

At this session we will discuss what makes Data “**High Quality**” and how to use data to determine instructional decisions to move students forward.

**We will also be conducting a crosswalk between OTES 1.0 and the most updated version of OTES 2.0, highlighting important distinctions and information.**

**Where:** Summit ESC

**Time:** 8:30 a.m. – 3:00 p.m.

**For:** Administrators who will be performing/overseeing OTES Evaluations

**Cost:** \$50.00 (Includes Lunch)

**Contact Hours:** 5.5

**Online Registration:** [www.summitesc.org](http://www.summitesc.org)

*Note: This is not OTES 2.0 Bridge or Full Credentialing*

Questions? Please Contact Matt Young at [matty@summitesc.org](mailto:matty@summitesc.org)

*We plan our programming based on your registration,  
therefore we will not issue a refund if you do not attend.*
