

Enhancing Literacy in the Social Studies Classroom Grades 4-8

Session 1: January 21st 3:45-4:45

Participants will:

- ◆ Analyze the content literacy standards for social studies and determine how they fit into their current instructional practices.
- ◆ Briefly go over Depth of Knowledge and examine how teachers can scaffold to increase rigor in instructions and assessments.
- ◆ Discuss differentiated text offerings so students that can read at a much higher level are given some materials to challenge them.
- ◆ Go over primary source teaching strategies and determine places to find resources.

Session 2: February 11th 3:45-4:45

- ◆ Review the ELA informational text standards that can be incorporated into social studies.
- ◆ Identify and practice comprehension strategies that can be used when teaching with content area texts.
- ◆ Review vocabulary strategies to incorporate into social studies.

Cost: \$10.00 per session can attend one or both.
