May 9, 2019

FEATURED SPEAKERS:

Jeff Owens and Roger Brogginni

from Gordon Food Service

Waste Not, Save a Lot!

During our last session together, we learned how to save cafeteria waste by creating "sharing tables". This month we will learn how to decode lot codes on food products, determine when it is (or is not) safe to use food in dented cans, and finally, conduct an 'Energy Audit' in your school kitchen. Bring all your questions to the table. Our Gordon Food Service Reps are ready with answers!

Facilitated by

Dr. Christine Dinklocker,

Leadership Services
