

campUS: Positively Influencing Transition for Teens with Hearing Loss

THEME: VIRTUAL REALITY

TEENS!

Connect virtually with other teens who have hearing loss all over Ohio and beyond while meeting your campUS counselors who also have hearing loss. This event is open to high school students (or new graduates) with any degree of hearing loss. This event will take place June 14-17th from 6-8 PM on ZOOM! Get ready for fun, learning, and conversation while preparing YOU to be a leader in your own life. Each camper will also receive a large goodie box filled with items to keep you engaged for each Zoom session! Space is limited to 20 students so register ASAP!!!

PARENTS!

We know that you have many questions about life after high school for your child with hearing loss. Don't worry, we have 2 Virtual Zoom evenings during the same time planned for you!! These will include excellent presentations that will give you information for your family and offer you the opportunity to ask questions!

IN PERSON EVENT???

Depending on our COVID-19 situation, we are tentatively planning a Saturday (June 19) family picnic in Columbus for all who participate. More information will be provided closer to the June date.

8th ANNUAL CAMPUS EXPERIENCE

INCLUDING PARENT/PROFESSIONAL DEVELOPMENT!
