

LIFTING LEADERS...

WHERE LEARNING INFORMS AND INSPIRES LEADERSHIP

FOOD SERVICE NETWORK

This series of meetings is designed to bring school food service personnel together to learn about new state requirements and to share ideas and strategies to encourage students to take advantage of the food service program. The meetings are intended to provide resources and networking time to meet others who work in our school kitchens or head up the food service operations. Join us for a late lunch and good conversation after you have closed your cafeteria for the day. We have recipes for success!
