Otology Lecture Series

Hearing Technologies for Children

Join us in person or virtually for a lecture with Board Certified Pediatric Otolaryngologist, Dr. Anita Jeyakumar, who specializes in hearing loss, ear disease and cochlear implants for all ages at Mercy Health Youngstown. Dr. Jeyakumar and a team of hearing professionals will discuss treatment options from the latest release of over-the-counter hearing aids to cochlear implants in children.

*This activity is approved for *AMA PRA Category 1 Credit™* for physicians, ANCC Contact Hours for nurses, and ASWB ACE credit for social workers.

Wednesday April 26, 2023
