

Teaching and Learning with TI-Nspire™ CX Technology in Middle Grades and High School Mathematics

This professional learning opportunity for math educators introduces the TI-Nspire™ CX graphing calculator and TI-Nspire™ CX Premium Teacher Software for middle and high school math. Participants will learn TI-Nspire™ CX technology skills and explore how to integrate Math Nspired activities and interactive lessons aligned with Ohio's Learning Standards for Mathematics into their classrooms.

Attendees will receive a set of TI technology for their classroom, including TI-Nspire CX II graphing calculators, a TI-Nspire™ CX docking station and TI-Nspire™ Premium Teacher Software.

August 29, 2024 or September 5, 2024

Teachers will receive a \$ 200 stipend!
